

ANNIE WU

11967 Nebraska Ave., Apt #1, Los Angeles, CA 90025 • 408-828-1067 • anniewu@mednet.ucla.edu

FELLOWSHIP

UCLA Medical Center, Los Angeles, CA

Department of Surgical Pathology, General Surgical Pathology/Gynecologic Pathology July 2017-Present

Program Director: Dr. Bitu Naini

UCLA Medical Center, Los Angeles, CA

Department of Surgical Pathology, Hematopathology Section, July 2016-June 2017

Program Director: Dr. Sheeja Pullarkat

RESIDENCY

UCLA Medical Center, Los Angeles, CA

Department of Anatomic Pathology and Clinical Pathology, June 2012-June 2016

Program Director: Dr. Peggy Sullivan

INTERNSHIP

Cedars-Sinai Medical Center, Los Angeles, CA

Department of Obstetrics and Gynecology, July 2011-June 2012

Program Director: Dr. Dotun Ogunyemi

EDUCATION

University of Illinois at Chicago, Chicago, IL

M.D., May 2011

Honors: Gold Humanism Honor Society (2010)

University of California, Berkeley, Berkeley, CA

B.A., Molecular Cell Biology, May 2005

Minor in Business Administration, May 2005

Honors: Dean's Honor List (Fall 2004)

LICENSES AND CERTIFICATION

Medical License, California, 2012-present

Board Certification, Anatomic and Clinical Pathology, 2017

Board Certification, Hematopathology, 2018 (pending)

RESEARCH ACTIVITIES

Past Grants:

UCLA Translational Research Fund, October 2014

Title: "Correlating the histologic features of biliary obstruction with cholangiographic results"

Primary Investigator: Hanlin Wang, M.D.

Grant Funding: \$1500

Publications:

Naeini Y, Wu A, O'Malley DP. Aggressive B-cell lymphomas: frequency, immunophenotype, and genetics in a reference laboratory population. *Annals of Diagnostic Pathology*. 2016;25:7-14.

Wu A and Pullarkat S. Follicular Dendritic Cell Sarcoma. *Arch Pathol Lab Med*. 2016;140:186-190.

Moatamed NA, **Wu A**, Sarah K, Apple SK. Cytokeratin 7 negative invasive breast carcinoma: clinicopathological and immunohistochemical analysis of 14 cases with clinical follow-up. *J Clin Pathol*. 2015;68(6):484-7.

Wu A, Kay D, Fishbein MC. Bifid cardiac apex in a 25-year-old male with sudden cardiac death. *Cardiovasc Pathology*. 2014;23(1):59-60.

Platform Presentations:

United States and Canadian Academy of Pathology Annual Meeting, Seattle, WA, 2016: Clinical Significance of Liver Biopsy Findings "Suggestive of"; "Suspicious for"; or "Consistent with"; Biliary Obstruction.

Poster Presentations:

United States and Canadian Academy of Pathology Annual Meeting, Seattle, WA, 2016: Immunohistochemical and Genetic Evaluation of Double-Hit Lymphomas

United States and Canadian Academy of Pathology Annual Meeting, Seattle, WA, 2016: Correlation of *MYC* Rearrangement with C-MYC Immunohistochemistry in Aggressive B-cell Lymphomas

College of American Pathologists Annual Meeting, Nashville, TN, 2015: ABO Typing Discrepancy in a Patient with Pure Red Cell Aplasia

College of American Pathologists Annual Meeting, Nashville, TN, 2015: Basaloid Squamous Cell Carcinoma Involving the Salivary Gland: A Pitfall on Fine-Needle Aspiration

Society of Biological Psychiatry Annual Meeting, San Diego, CA, 2007: Orientation and localization of catechol-o-methyltransferase in primary cultures of rat cortical neuron.

National Institutes of Health, Postbaccalaureate Intramural Research Training Award (IRTA) Spring Program Poster Session, Bethesda, MD, 2007: Orientation and localization of catechol-o-methyltransferase in primary cultures of rat cortical neuron.

Tang C, **Wu A**, Leong E, Fears T, Azzi R, O'Shannessy D, Lin A. Detection, analysis and significance of guanylyl cyclase c in the lymph nodes from patients with colorectal cancer. *Journal of Investigative Medicine*. 2006 Jan;54(1): S80-S174

Past Research Experience:

Division of Reproductive Endocrinology and Infertility, University of Illinois at Chicago, 2009-2011
Research Advisor: Humberto Scoccia, M.D.

Investigating rate of spontaneous abortions in patients with polycystic ovarian syndrome (PCOS) compared with non-PCOS patients.

National Institute of Mental Health, NIH, Bethesda, MD, 2006-07

Postbaccalaureate Intramural Research Training Award (IRTA) Program

Research Advisor: Jingshan Chen, M.D. Ph.D.

Studied molecular mechanisms of pathogenesis of schizophrenia. Presented findings at annual Society of Biological Psychiatry Meeting May 2007 and IRTA Spring Poster Session May 2007.

Santa Clara Valley Medical Center, Santa Clara, CA, 2005-06

Research Advisor: Albert Lin, M.D.

Analyzed biomarkers of colorectal and hepatocellular cancer.

PROFESSIONAL SOCIETY MEMBERSHIPS

College of American Pathologists

United States and Canadian Association of Pathologists

American Society of Clinical Pathology

Los Angeles Society of Pathologists

UCLA UNIVERSITY SERVICE

Graduate Medical Education Committee (GMEC)

UCLA Medical Staff Subcommittee: Cancer Committee

PROFESSIONAL AND EDUCATIONAL EXPERIENCES/ACTIVITIES

UCLA Hematopathology/BM & Hematology Multidisciplinary Conference (CME accredited):

“An interesting case: histiocytic sarcoma” (May 2017)

“Myeloid neoplasms and Down Syndrome” (March 2017)

“The deal with mast cells” (January 2017)

“It's all in the family: Familial Acute Leukemias and related entities” (October 2016)

“Something old, something new: *BCR-ABL1* and *BCR-ABL1*-like B Lymphoblastic Leukemia” (September 2016)

UCLA College of American Pathologists (CAP) Internal Review: Surgical Pathology, October 2015

UCLA Department of Pathology Quality Assurance Review, October 2015

UCLA Clinical Chemistry QI Project: Ionized Calcium Order Review, December 2013

UCLA Department of Pathology AP Talks:

Hodgkins Lymphoma (April 2013), Parathyroid Pathology (March 2014), Benign Lymph Node (May 2015), Ovarian Frozen Section (October 2015)

UCLA Medical Student Teaching: Heart Module, 2013

CLINICAL PRESENTATIONS/TUMOR BOARDS (UCLA)

Olive View Medical Center Leukemia/Lymphoma Tumor Board, August 2016-June 2017

Pediatric Hematology/Oncology Tumor Board, August 2017-June 2017
Lymphoma Case Conference, multiple October 2015-May 2017
Genitourinary Oncology Tumor Board, June 2015
Neonatal Pathology Case Conference, June 2015
Breast Tumor Board, December 2014
Breast Radiation-Pathology Conference, July 2013 and December 2014
Neuropathology Radiation-Pathology Conference, September 2014
Gynecology Oncology Tumor Board, August 2014

LEADERSHIP AND EXTRACURRICULAR ACTIVITIES

Asian Pacific American Medical Student Association (Hepatitis B chair 2007-2008, President 2008-2009)
MIMA Foundation (Bolivia OB/GYN Surgical Mission Volunteer 2010)
University of Illinois at Chicago Health Fair (PR/Logistics Committee 2009-2010)
Student Run Free Clinic (2007-2011)
University of Illinois at Chicago Urban Medicine Curriculum Group (2007-2011)
Medical Aid for Vietnam (2008)
New Life Volunteering Society (2007-2009)
American Medical Student Association (HIV/AIDS chair 2007-2008)
University of Illinois at Chicago Patient Centered Medicine Scholar Program (2007-2008)

ADDITIONAL INFORMATION

Languages: Mandarin (Conversational), Spanish (Basic)
Interests: Food, travel, yoga, hiking
