and Harvard Medical School
Boston, Massachusetts*

PROGRAM

7:45 am - 9:00 am

Registration & Continental Breakfast

9:00 am - 4:30 pm

Meeting

The South Bay Pathology Society is accredited by the Institute for Medical Quality/California Medical Association (IMQ/CMA) to provide continuing medical education for physicians.

The South Bay Pathology Society designates this live activity for a maximum of 5 AMA PRA Category 1 Credit(s)[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This credit may also be applied to the CMA Certification in Continuing Medical Education.

OBJECTIVES

At the conclusion of the meeting participants will be able to:

- Recognize the features of placental site trophoblastic tumor and be able to distinguish it from other trophoblastic tumors and exaggerated placental site reaction
- Distinguish between atypical hyperplasia and well differentiated endometrial carcinoma
- Recognize features in smooth muscle tumors of the uterus which are indications for additional testing (HLRCC)
- Diagnose precursor lesions of serous carcinoma in the fallopian tubes
- Classify ovarian sex cord stromal tumors using the latest techniques
- Diagnose and stage serous carcinomas of ovary using updated criteria
- Identify indications for testing for Lynch Syndrome
- Utilize p16 and other stains in the diagnosis of squamous intraepithelial lesions

The South Bay Pathology Society has reserved a block of rooms at the Monterey Marriott at a special rate of \$219 per night.

Reservations may be made by calling **1-800-228-9290 or 831-649-4234** and mentioning this meeting.

To receive this rate, reservations must be made by **April 21, 2017**.

For other hotels and lodging options on the Monterey Peninsula please refer to the following website: **www.monterey.com**

Due to the high demand for hotel rooms on the Monterey Peninsula in May, we recommend making hotel reservations early.

For additional information and inquiries please contact Gregory J. Rumore M.D.
