

South Bay Pathology Society

Cases for the Zoom meeting on Jan 10, 7pm
(instructions will be emailed to paid members list!)

southbaypath.org

22-0101 – Nicholas Ladwig; UCSF

82-year-old F with post-menopausal bleeding and an enlarged uterus who underwent endometrial biopsy.

Diagnosis: _____

22-0102 – Angus Toland/Hannes Vogel; Stanford

16-year-old girl presenting with rapidly progressive bilateral lower extremity numbness and tingling. MRI showed a large mass with vertebral body destruction from C6-T11 with cord compression.

Diagnosis: _____

22-0103 – Sanjay Kakar; UCSF

23-year-F with multiple liver masses in segments 7 and 8, largest measuring 23cm (others 4-5cm), without extrahepatic mass and no history of liver disease.

Diagnosis: _____

22-0104 Alexandra Chang-Graham/Megan Troxell; Stanford

Elderly year-old woman with history of rheumatoid arthritis, on methotrexate, with months of abdominal pain. She developed a skin rash and presented to a hospital where she was determined to have new-onset acute renal failure requiring dialysis. She developed pancytopenia and acute hypoxic respiratory failure. Her status declined and she passed away.

Diagnosis: _____

22-0105 Chien-Kuang Ding/Emily Chan; UCSF
Adult M with elevated PSA, undergoes prostate biopsy.

Diagnosis: _____

22-0106 – Jeffrey Nirschl/Hannes Vogel; Stanford
60-year-old M with hypertension and T2DM who presented with acute-onset left-sided right gaze palsy and lip smacking. Brain MRI showed extra-dural based mass measuring 3.1cm.

Diagnosis: _____

22-0107 (scanned slide avail!) – Ankur Sangoi; El Camino Hospital
50-year-old M with renal mass, radical nephrectomy performed.

Diagnosis: _____

SCANNED SLIDE INFO:

<https://pathslides.elcaminohospital.org/uPath-UI/#/login>

login: Southbay NEW Password: Path2022!

All slides show up at once together (one annoying thing is the boxes at right that pop up at startup; you can click X and close these out)

Planning Committee

Registrar
Ankur Sangoi, MD asangoi2@yahoo.com
El Camino Hospital
Dept of Pathology, GC-33
Mountain View, CA 94040

CME Co-Chairs
Kristin Jensen, MD kjensen1@stanford.edu
VA Palo Alto, Stanford Pathology
Megan Troxell, MD megant@stanford.edu
Stanford Pathology

Please contact the registrar to submit cases of interest for future meetings.

About CME

The South Bay Pathology Society is accredited by the Institute for Medical Quality/California Medical Association (IMQ/CMA) to provide continuing medical education for physicians.

The South Bay Pathology Society designates this live activity for a maximum of 1 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

For physicians participating in Continuing Certification (CC) through the American Board of Pathology, this activity meets requirements for both Lifelong Learning (Part II) and Self-Assessment Module (SAM) credit hours (upon successful completion of a post-activity test with a passing rate of 80% correct answers).
